Subject : Disbursement of salary in cash in the Storm (Vardha) affected area of Chennai – Representation of Bharatiya Pratiraksha Mazdoor Sangh (BPMS)

Defence Civilian Employees Federation BPMS has address letter ref. no.BPMS/MoD/Payment/186(8/1R) dated 27 Dec. 2016 (copy enclosed) to the MoD, on the above subject. It has been informed that the storm Vardha has caused enormous damage in the Chennai Area. The disruption of the electricity supply has adversely affected the banking services, thereby causing economic hardship to the Central Government employees working in and around the affected area. It has been requested that the serving employees in the Chennai area may please be paid the salary for the month of Dec 2016 in cash.

In view of the position reported by BPMS, it is apprehended that the ATM systems and the computer network may not be functioning in the storm affected area, which may not be allowing the public to access the electronic banking facilities. It is felt that the hardship being experienced by the affected employees should be addressed with due sensitiveness. It is suggested that necessary instructions may please be issued to the pay disbursing authorities, located in the storm affected area, to explore the possibility of disbursing the salary for the month of Dec 2016 to the Government employees in cash, in accordance with the ceilings/instructions prescribed by the Government.

Encl : BPMS letter dt 27 Dec. 2016

(Gurdeep Singh)
