Sir,

With due regards, I am writing to express my deep concern regarding the recent meeting that took place on 16.02.2023 under the Chairmanship of DGOS. As you may recall, Shri Dharmendra Nagar, rep of BPMS, Nominated JCM-II Level Council (MOD), was nominated vide letter cited under reference (1) and he attended this meeting, along with several other individuals.

During the meeting, Shri Dharmendra Nagar actively participated in the discussions and shared his valuable insights and suggestions on the matter at hand. However, it is disheartening to note that his views were not endorsed in the minutes of the meeting cited under reference (2).

As a General Secretary of BPMS, I strongly believe that every participant's views and opinions should be given due consideration and recorded in the meeting minutes. By not including Shri Dharmendra Nagar's views, we are doing a great disservice to the spirit of democracy and fair representation.

Moreover, such an action can also discourage individuals from actively participating in future meetings, as their views may not be deemed important enough to be recorded in the minutes. This can lead to a significant loss of valuable insights and suggestions that could otherwise contribute to the betterment of our organisation.

Therefore, I urge you to reconsider and include Shri Dharmendra Nagar's views in the minutes of the meeting. This will not only be a step towards upholding democratic values but will also encourage greater participation and diversity of opinions in future meetings.

Thanking you in anticipation.

Sincerely yours
