ORDNANCE FACTORIES EMPLOYEES STRIKE ENTERED SUCCESSFUL THE 3RD DAY !

UNITED VOICE OF THE EMPLOYEES AGAINST CORPORATIZATION OF OFB !!

FIGHT TO SAVE ORDNANCE FACTORIES AND ITS EMPLOYEES CONTINUES !!!

The 3rd day of one month strike is also a grand success. More than 96% of the workforce stayed away from the work. Today also barring the Group A Officers and some JWMs in some of the factories the entire fraternity of Industrial workers, Non Industrial Employees, NGOs and Group B officials are voluntarily participating in the strike. The seriousness and the effectiveness of our strike is such that no media was able to ignore the strike news. Government is desperate and issuing Press Statements one after the other to confuse and mislead the workers and the public. Let us continue the battle to save the Ordnance Factories and its employees from the evil design of the Government to Corporatize the Ordnance Factories. Different Trade Unions and other Organizations including all the Central Trade Unions are extending their support to us all over the Country. We congratulate all our unions, Associations and the entire workforce for their united historical struggle against the retrograde policy decision of the Government by ignoring the threatenings, false propoganda and Press Releases in support of the Corporatization etc. We are also thankful to all the Organizations who are extending support to our struggle.

Secretary DP convenes meeting with the three Federations and the CDRA on 23.08.2019

The Secretary DP has now convened a meeting with the three Federations and CDRA on 23/08/2019 at 12.00 noon. We hope good wisdom will prevail on the Government of India and will come forward to listen to our justifications and the reasoning for not to corporatize the Ordnance Factories. It is only due to the united struggle of the workforce the Government is convening series of meetings on our strike demand. We will keep you informed about the developments if any after the meeting with Secretary Defence Production.
