

UNITED FORUM OF ORDNANCE EMPLOYEES (UFOE)

[A United forum of AIDEF, BPMS, CDRA and IOFSOA to safeguard Services]

No.01/UFOE/D/RM

Date : 08th March 2022

To,

Shri Rajnath Singh,
Hon'ble Raksha Mantri
Government of India
South Block, New Delhi.

**Subject : Request to safe guard service conditions- demand
for considerations.**

Respected Sir,

You have always been kind and considerate in reiterating in various forums that the service conditions of Ordnance Factory employees would be protected and remain unchanged. Drawing hope from your assurance and also without prejudice the court cases against corporatisation pending in various High Courts, the United Forum of Ordnance Employees would like to submit the following demand for your kind consideration-

- 1) That All the employees of Ordnance Factories as on 01/10 2021 would remain as Government Employees.
- 2) That salary, allowances and pension etc should be paid for all the Government employees from Consolidated Fund of India (CFI).
- 3) The pension contribution of employer in case of all the Government employees covered under New Pension Scheme (NPS) is to be paid from CFI and not from any other fund.
- 4) The promotion prospects/career progression and all other facilities/service conditions etc., of all the Government employees of Ordnance factories has to remain the same as it was available on 01/10/2021, till the retirement of last of the government employee of the Ordnance Factories.

It is pertinent to mention that the Government of India have already extended the above benefits in the past to the Government employees of All India Radio and Doordarshan when both these Government Institutions were converted to a corporation, namely- Prasar Bharti.

We earnestly pray to your conscience for favourable decision, sir.

With kindest regards,

Yours sincerely,
