All the Federations have decided to attend the meeting with resolution to place our considered position that in any case we are not going to accept the decision taken by the Government to corporatize the Ordnance Factories.

**CONGRATULATIONS TO THE UNIONS, ASSOCIATIONS AND THE ENTIRE WORKFORCE

FOR DEMONSTRATING THEIR UNITY, STRENGTH AND FIGHTING  
SPIRIT IN REVOLTING AGAINST THE EVIL DESIGN OF THE  
GOVERNMENT TO CORPORATIZE THE ORDNANCE FACTORIES !**

**STRIKE NOTICE FOR ONE MONTH SERVED BY ALL THE UNIONS ON 01.08.2019  
BY HOLDING MASSIVE DEMONSTRATION AND RALLIES !**

**LET THIS SPIRIT CONTINUE AND LET US INTENSIFY THE PREPARATIONS FOR THE ONE MONTH STRIKE !**

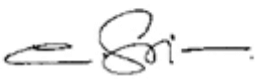

**MASSIVE BLACK FLAG DEMONSTRATION ON 06.08.2019 IN ALL THE  
ORDNANCE FACTORIES AGAINST CORPORATIZATION**

There is anger and anguish amongst the entire workforce of the Ordnance Factories. The Government is bent upon to damage this great Organization which is serving for the Defence of the nation without any publicity. The Government has completely ignored the contribution of the Ordnance Factories during the conflicts of 1965, Bangladesh Liberation War of 1971 and the Kargil Crisis of 1999. The country has celebrated 20 years of the Kargil Victory. The role played by Ordnance Factories in all these victories have been forgotten. It's a matter of happiness for all of us Ordnance Factory, Bhandara also played its vital role in the launching of 'Chandrayaan-2' by supplying pyro devices using explosive (RDX, RDX-WAX, PETN, NC-B12). The ISRO / Vikram Sarabhai Space Centre have appreciated the contribution of Ordnance Factory, Bhandara to the Indian Space Programme. We congratulate the entire workforce for their contribution to the Indian Space Programme.

Now it is for us through our united struggle to draw the attention of the Government and all the patriotic citizens of the Country about the role of the Indian Ordnance Factories in the Defence of our Country. The workforce right from Officers to down below have clearly understood the game plan of the Government to corporatize the Ordnance Factories and thereafter to privatize as is the fate with other public sector undertakings of our Country.

We congratulate all the Unions, Associations and the workforce for observing a massive demonstration and submitting the Strike Notice through a massive rally on 01.08.2019 in which everybody participated. We have shown our strength of unity and fighting spirit to the Government. Let us continue this united struggle and intensify the same.

DGOF and Chairman has called a meeting of the three Federations and the CDRA on 06.08.2019 without any Agenda. However, at this juncture there is nothing other than corporatization for the Chairman to discuss with us. Corporatization is a 100 days agenda of the Government, in which Chairman has got no jurisdiction. However, since he has invited the Federations we have decided to attend the same and to place our considered position that in any case we are not going to accept the decision taken by the Government to corporatize the Ordnance Factories. We will keep you informed about the discussions after the meeting. It has also been decided that on 06.08.2019 as a part of our one month Strike preparation all of us will observe 06.08.2019 as **"No Corporatization Day"** by holding massive demonstration with Black Flag and Black Badge. The leadership of the Federations and the CDRA will meet on 06.08.2019 and decide the common action programme to be held during the Strike preparations. Till then the agitations which are going on at the Factory level will continue and the Unions in the other Directorates may also conduct solidarity programmes in their respective Units in support of the one month Strike of the Employees of Ordnance Factories and DGQA Units.
